

Who Runs the Internet?

An Overview of the Multi-Stakeholder Approach to Internet Governance

Tuesday, October 29 at 4PM
C.B. Powell Building Room 251

Dr. Roger Caruth will provide a lecture on the three organizations that are a part of the overall operational structure of the Internet. He will also discuss the International Federation for Information Processing (IFIP) working group which focuses on the Social Implications of Computers in Developing Countries. Dr. Caruth received his Ph.D. in Mass Communication and Media Studies from Howard University.
